Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 16 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold overnight, dry with some sunny spells on Wednesday.

This Evening and Tonight:
Dry through the evening and night with some long clear spells. A touch of frost developing inland as winds ease, but breezier and less cold towards the Lincolnshire coast. Minimum temperature 0 deg C (32 deg F).

Wednesday:
A dry day across the region with bright or sunny spells, although cloudier at times by afternoon. Breezy in the east, but winds tending to ease later. Maximum temperature 11 deg C (52 deg F).

Outlook for Thursday to Saturday:
Some brighter spells, but overall cloudier and breezier through the period with a little rain in places, especially Thursday and Friday. Generally mild, but perhaps a touch of overnight frost.
